Dear Parent and Guardians:

Welcome to the Warren County R-III School District! We are extremely proud of our students, staff, and supportive community and are pleased that your student will be joining our schools.

The mission of the Warren County R-III School District is to equip and empower each child to fully reach his or her potential as a lifelong learner, a responsible adult, and a contributing member of a diverse society. Our team of dedicated education professionals is committed to helping students learn, grow, and experience the pleasure of lifelong learning. We also encourage the participation of our students, parents, and guardians. Please know that you are welcome at PTO meetings, parent conferences, school and district committees, and all district events.

This packet of enrollment materials will give you the guidance you need to begin the enrollment process for your student. To determine the school your student will attend, please telephone the district's central registration office at 636-456-6980 or visit <http://maps.businessinfo.services/maps/warren/>. After completing the forms (including the notarized statement, as required) and assembling the necessary documentation, please contact the central registrar to make an appointment to register your student.

Again, we are happy to welcome you to our district and we promise to give your student a fulfilling educational personal experience.

Sincerely,

Dr. Gregg Klinginsmith  
Superintendent
