

It is a goal of the District and the Special Services Department that the needs of all students be met through the provision of a free and appropriate education (FAPE) regardless of their abilities.

This office handles a variety of programs/services including the following:

- Safe Crisis Management
- Early Childhood Special Education (ECSE)
- English as a Second Language (ESL)
- Homeless
- Homebound Instruction Coordination
- Home Schooling Services
- Parentally Placed Private School Services
- Section 504
- Special Education
- Student Records in regards to IEP's and 504's
- Student Transfer Requests in regards to IEP's and 504's
- Migrant
- Psychological testing
- Special Education Transportation Services
- Medicaid SDA and direct billing

The Special Services staff includes the director, special education process coordinators, early childhood coordinator, Counselors, administrative assistants, school nurses, special education teachers, therapists, paraprofessionals, early childhood educators, a student educational diagnostic team, and Parents As Teachers staff.
